Mr. Aristides Rivera, P.E., P.L.S., Director  
Public Works Department  
Miami Dade County  
111 NW 1 Street, Suite 1610  
Miami, Fl 33128-1970

Dear Mr. Rivera:

**REQUEST FOR 4-WAY STOP SIGN  
SW 31 AVENUE (SW 11 STREET – SW 16 STREET)**

Several residents of subject vicinity have contacted City of Miami Commissioner Tomas Regalado requesting that a 4-Way Stop sign be installed on SW 31 Avenue at a point between SW 11 Street and SW 16 Street.

The Home Depot store generates increased traffic which travels unimpeded through the residential area between SW 11 and SW 16 Streets giving cause to numerous automobile accidents.

Since traffic regulatory signs in the City of Miami are within your department's jurisdiction, please investigate this request and notify by office of your findings and course of action.

Your usual prompt attention is appreciated.

Sincerely,

  
Francis Mitchell  
Assistant Director
